Digital Advantage

This will allow you the opportunity make prints anywhere you like at the lowest cost possible (as low as \$.06 for a 4x6). Make any size prints or specialty items that you like. (we will include a list of places local and online to have prints made) This will also give you the ability to email your photos to anyone around the world for them to make prints themselves. Post the images on your facebook or any other of your blog/web sites.

Your Photographers

Your photos will be taken by Jack Potts and Erika Pina, Erika, is not only a coach with Texas United, but has worked with jack for the last 6 years. Jack, is a seasoned photographer for over 30 years. Jack has done photography for Nike, Record Labels, Magazines, Galleries, and personal commissions. He will be bringing a small crew as well as studio lights and all necessary tools to create the best images of your child and their team.
